XBRL US Membership Agreement

As a member of XBRL US, the signer agrees:

To engage: The member organization is committed to contributing in a positive, productive, and professional volunteer engagement with XBRL US, working with other members to advance the mission and goals of XBRL US for the common good of all.

To contribute: The member organization will bring its best human and intellectual capital to assist XBRL US in a community-driven process for setting strategic goals, designing program initiatives, and developing market messages and a communications strategy.

To evangelize: Members will work to build awareness and educate the market on the benefits XBRL brings to business reporting, using the strength of their own brand, reputation, and networks; members will not represent themselves to customers, prospects, press or media as representing the XBRL US organization itself unless expressly coordinated with XBRL US staff.
